Dear Cherish Member,

Thanks for a great 2007/2008 school year! Registration for the 2008/2009 school year is here! If you choose to register between June 1st and July 15th, you will pay a discounted price of \$18 if you want your newsletter sent through email or \$23 if you want your newsletter sent through U.S. Postal mail. Beginning July 16th, registration will be \$23 for email, \$25 for postal mail. We will begin printing membership directories on August 1st. There will be an addendum to the directory included with the January newsletter, which will include those who join after Aug. 1st. Directories will be given out at the Mom's Connection Night or at the Kid's Connection Day (dates will be announced later).

This upcoming year, our desire is to continue emphasize the purpose of Cherish, which is "to share information and provide support to families who choose to educate their children in a home study program." In an effort to accommodate the families of Cherish, we will have a Care Group Council which will plan and organize smaller cell group events based on age appropriate activities. We would like this Care Group Council to consist of 4 to 6 parents who are interested in assisting in the planning and coordinating of events for a particular age group (ex. preschool, 1-3rd, 4-6th, teenagers). Events that are planned will be open to all families with a child in a particular age group.

Please be praying about your role in Cherish and where you can join with us by serving in an area to enhance your family's experience and to make this a successful year for everyone! The more volunteers that we have help, the more activities we can plan for our children. **Make sure that you fill out a coupon indicating which event(s) you would like to help with and mail it in with your registration form.** Please contact any of the board members for more information or if you are interested in serving along with us.

We are excited about the upcoming year, and we pray that Cherish will be beneficial to your family. Thank you for allowing us to support your family and hopefully enhance your home schooling experience. It is a joy and a blessing to serve along with others who have a heart for Christ as the center of their family, as well as a priority to "Train up a child in the way he should go and when he is old he will not depart from it." Prov. 22:6
