

Corporate Events for 2008-2009

CHERISH hopes to have all committees in place for next year's corporate events well in advance. It is amazing how stress-free an event can be when the majority of the planning is done during the summer! With only one planning meeting, 80% of the work gets done! Plans are made, jobs are delegated, and the tasks become manageable!

Please sign up now for events in which you definitely want to participate next year. You'll be glad you did, especially when you see the excitement on the children's faces when they learn they have the opportunity to participate. You can have the comfort of knowing that events will take place and run smoothly.

Cherish needs **YOU** to join the Corporate Event Committees!!! Please prayerfully consider which committees you will be able to serve on. You may choose more than one. Without **YOU** these events will not be possible. Committees need to be firmed up immediately in order for CHERISH to prepare the the 2008-2009 school year. Please fill out your coupons and mail in with your membership application.

Thanks so much!
